

Brady Heights Historic District

HOME TOUR 2011

SEPT 25 • 11:30 AM-5 PM

Tulsa's oldest historic district will open its homes for a tour of some of the most original, historic homes varying in style from Victorian, American Foursquare, Wright-inspired Prairie Style and Craftsman Bungalow.

\$9 for individuals, \$24 for families until 4 pm

The tour begins at Centenary United Methodist Church at 631 N. Denver Avenue in Tulsa, Oklahoma and includes tours of 10 homes and 2 churches. Tour homes include completely renovated homes, some with renovation-in-progress and recently constructed new homes. Realtors will have open houses as well. Many of the homes retain original details such as: leaded glass, carriage houses, craftsman detailing and broad front porches. The Historic Home Tour benefits the cultural and social projects of the Brady Heights Neighborhood Association.
