B. Actionable Items

1. COA-15-55 / 1603 S. Newport Ave. (N. Maple Ridge)
   Applicant: Randall Shelley for Orpha Harnish
   COA Subcommittee Review Date: November 17, 2015
   Request:
   1. Construct sunroom according to plans submitted

Staff presented the application to the Commission, and the applicant's representative, Randall Shelley, was present. Commissioner Neal presented the COA Subcommittee report. Mr. Shelley provided the Commission an alternative drawing and stated the applicant will need a variance and that the drawing proposes an offset of the original design. Commissioner Reeds asked Mr. Shelley if he plans to extend the existing roof ridge and if the house has asbestos shingles. Mr. Shelley replied yes and added he plans to match the siding original to the house.

Commissioner Neal made a motion to approve the application with the conditions the sunroom addition is to be constructed full width as submitted or, based on variance requirements, constructed partial width as submitted. Commissioner Craddock seconded the motion. The motion was approved unanimously.

2. 1414 S. Galveston Ave. – McBirney Mansion Easement
Applicant: Chad Osgood for Wendy and Gentner Drummond

COA Subcommittee Review Date: December 3, 2015

Requests:
1. Combine two existing ponds and basin into a single new pond according to site plan submitted
2. Construct new retaining wall using native stone according to site plan submitted

Staff presented the application to the Commission, and the applicant’s representative, Chad Osgood, was present. Staff stated the Oklahoma Historical Society (OHS) has reviewed the three proposals including the flag pole, porte-cochère addition, and ponds. The Oklahoma Historical Society has approved the flag pole and porte-cochère addition, but OHS asked for more documentation for the proposal of the ponds and will rely on the Preservation Commission for its decision. The Oklahoma Historical Society has decided to disengage from future reviews, rely on the Preservation Commission for review of McBirney Mansion proposals, and confer with the Oklahoma State Historic Preservation Office (SHPO) for technical assistance. In the future, determination of compliance with the easement and feasibility of projects will become the Preservation Commission’s responsibility.

Mr. Osgood described the proposals for the ponds to the Preservation Commission. Commissioner Pounds asked Mr. Osgood if he had looked at the sightline from Riverside Drive. Mr. Osgood replied the retaining wall will be visible, but from Riverside Drive, one could not see the lower pond since there is a 4-5 feet elevation change between the road and pond. Commissioner Neal presented the COA Subcommittee report. Commissioners Neal and Shears asked for Mr. Osgood to provide more information including an elevation of the retaining wall. Commissioner Turner asked Mr. Osgood if the stone will match the existing stone. Mr. Osgood replied there is enough available native stone for the project, and the native stone will taper and hide the retaining wall. Commissioner Pounds asked the Commission if they are comfortable approving the concept
and voting on the final drawings when Mr. Osgood submits them. Commissioner
Turner stated the applicant needs to provide either a rendering or a photograph,
and Commissioner Shears stated a detail showing the distance between the
larger and smaller pond would be needed.

Commissioner Neal made a motion to approve the conceptual design with
conditions for the applicant to submit a final design for approval, including an
architectural rendering and elevations, to the Preservation Commission.
Commissioner Turner seconded the motion. The motion was approved
unanimously. Reference cited: Deed of Scenic, Open Space, and Architectural

3. COA-15-56 / 1743 S. Yorktown Ave. (Yorktown)
Applicant: Katelyn Parker for Martha Phillips
COA Subcommittee Review Date: December 3, 2015
Request:
1. Construct rear porch addition according to drawings submitted

Staff presented the application to the Commission, and the applicant, Martha
Phillips, was present. Commissioner Neal presented the COA Subcommittee
report.

Commissioner Craddock made a motion to approve the application.
Commissioner Schoell seconded the motion. The motion was approved

   Applicant: Kristin Daffern for Richard Dowdell and Noreen McSherry
   COA Subcommittee Review Date: December 3, 2015
   Request:
   1. Construct new west basement wall with smooth-face, CMU block
      Work completed without a Certificate of Appropriateness

   Staff presented the application to the Commission, and the applicant's representative, Kristin Daffern, was present. Commissioner Neal presented the COA Subcommittee report.

   Commissioner Shears asked Ms. Daffern what steps were taken to mitigate the water problem. Ms. Daffern replied, in addition to the new wall, a French drain and pump were installed. Commissioner Turner asked Ms. Daffern whether the new concrete block is waterproof. Ms. Daffern replied yes. Commissioner Neal asked Ms. Daffern how a permit was not pulled for the project. Ms. Daffern replied she now knows the project would require a repair permit, and the engineer stated it was not needed. When the footing was installed, Ms. Daffern asked the engineer about the inspection, and the engineer stated a permit was not required.

   Commissioner Neal made a motion to approve the application with the condition the wall feature exterior elastomeric coating. Commissioner Turner seconded the motion. The motion was approved unanimously. Guidelines cited: E.1.1, E.1.2, E.1.3, E.1.4, A.2.1, A.2.3, A.2.4.

5. **COA-15-58 / 1745 S. St. Louis Ave.** (Swan Lake)
   
   Applicant: Bill Powers for Price and Debbie Cleaver
   
   **COA Subcommittee Review Date: December 3, 2015 (Item 1 only)**
   
   **Request:**
   1. Remove three non-original, screen windows on north elevation and replace with two paired vinyl windows with simulated divided light muntins to match existing windows
   2. Replace original, wood windows with vinyl and casement vinyl windows with matching muntin patterns and trim
   
   Staff presented the application to the Commission, and the applicant, Robert Cleaver, and the applicant’s representative, Bill Powers, were present. Mr. Powers stated the owner decided to rescind the window replacement and put in wood windows with matching muntins. The owners would like to replace Window 6 on the Window Survey with wood windows with matching muntins, which are the same proposed windows for the utility room. Mr. Powers stated they would like to request the reconfiguration of the kitchen and breakfast room windows to accommodate the interior layout for the kitchen. Commissioner Neal presented the COA Subcommittee report. Commissioner Neal asked if the proposed windows will be similar in scale to those of the utility room. Mr. Powers replied yes. Mr. Powers requested to remove the non-original center picture window and replace with matching wood windows.

   Commissioner Neal made a motion to approve the following items:
   - Remove three non-original, screen windows on north elevation and replace with two paired wood windows with simulated divided light muntins to match existing windows
   - Remove and relocate two original breakfast room windows and one kitchen window and install wood windows with simulated divided light muntins to match existing windows
   - Replace existing, non-original picture windows with wood windows on west elevation
• Replace three, non-original wood windows on southeast corner with wood windows with simulated divided light muntins to match existing windows

6. COA-15-60 / 1316 E. 19th St. (Swan Lake)
   Applicant: Alicia Schultz
   COA Subcommittee Review Date: None
   Request:
   1. Replace 12 original six-over-one wood window sashes on east elevation with 12 six-over-one vinyl window sashes with matching muntins

Staff presented the application to the Commission, and the applicant, Joshua Schultz, was present. Mr. Schultz stated the proposed windows can only be seen from an oblique angle from the public right of way and he wishes to repair the remaining original windows. Commissioner Neal stated the windows appear minimally damaged. Commissioner Turner asked if the proposed window will match the existing windows with the same muntin pattern. Mr. Schultz replied yes.

Commissioner Turner made a motion to approve the application. Commissioner Sottong seconded the motion. The motion was approved by majority. Guidelines cited: A.4.1, A.4.2, A.4.4, A.4.5, A.4.6, A.4.7.

7. COA-15-52 / 1740 S. Yorktown Ave. (Yorktown)
Applicant: Jeff Selco for Jennifer Lorch

COA Subcommittee Review Dates: November 17/December 3, 2015

Request:
1. Construct gable dormers with six-over-one vinyl windows, clapboard siding, and asphalt shingles according to plans submitted

Completed Without a Certificate of Appropriateness

Staff presented the application to the Commission, and the applicant's contractor, Jeff Hoos, was present. Commissioner Neal presented the COA Subcommittee report. Commissioner Shears asked Commissioner Neal if there was a discussion about the dormer at the COA Subcommittee meeting. Commissioner Neal replied the dormer was already built and added there is an existing high pitch gable on the front elevation and lower pitch gable on the rear elevation.

Commissioner McKee made a motion to deny the application. Commissioner Schoell seconded the motion. The motion was approved by majority. Guidelines cited: B.1.1, B.1.2, B.1.3, B.1.4, B.3.3, B.4.1, B.4.2.1.
